Park Lodge Hospital School Seeks To Find A: Math Teachers Part time (2days per week)

We are looking for a Math Teacher to join our learning community. Are you a passionate and qualified Maths Teacher looking to make a difference in a unique and supportive educational setting? Park Lodge Hospital School is seeking a dedicated Maths Teacher to join our team and play a key role in both academic teaching and pastoral care.

Park Lodge Hospital School provides education to students with medical and mental health needs. Our small classes allow for a highly personalised approach, blending academic excellence with therapeutic support. We have a cohesive and supportive staff team who are committed to providing the best possible learning experiences for all our children. We encourage a forward thinking and progressive approach to improving learning outcomes, at a place where we are all different and strive for equality. Where appropriate and possible, teachers may be asked to provide teaching support in other subject areas to meet the needs of students.

For Successful Candidates We Offer;

- A supportive and collaborative working environment.
- Opportunities for professional development and growth.
- The chance to make a meaningful impact on students' lives.

If you're ready to inspire and support students in both their academic and personal development, we'd love to hear from you.

About You

We would like to hear from caring and patient individuals, committed to supporting students' academic and emotional development. Experience or willingness to take on a Key Teacher role, providing pastoral care and acting as a point of support for students, with strong interpersonal skills and the ability to work as part of a multidisciplinary team.

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. This post is subject to an enhanced DBS check
